

FEATURES

- **SOLID STATE ELECTRONICS.**

Giving precise temperature control and accurate top and bottom heat.

- **DIGITAL TEMPERATURE DISPLAY.**

With clear, visible readout.

- **CERAMIC TILE BAKING SOLE.**

For a mellow bake.

- **VIENNA TYPE DOORS.**

Full width, fully insulated, balanced for variable opening.

- **ROBUST HEATING ELEMENTS.**

We manufacture our own and give a 5 year guarantee. They are graded to ensure even baking throughout the oven.

- **STEAM DAMPERS.**

Fitted to each deck.

- **WATER DROP STEAMING SYSTEM.**

Built into each deck if required.

- **RACKED OUT BASE.**

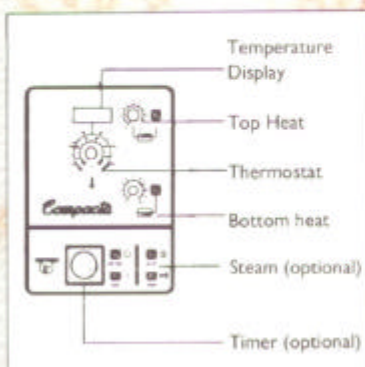

Standard on 2 and 3 deck models.

- **STAINLESS STEEL.**

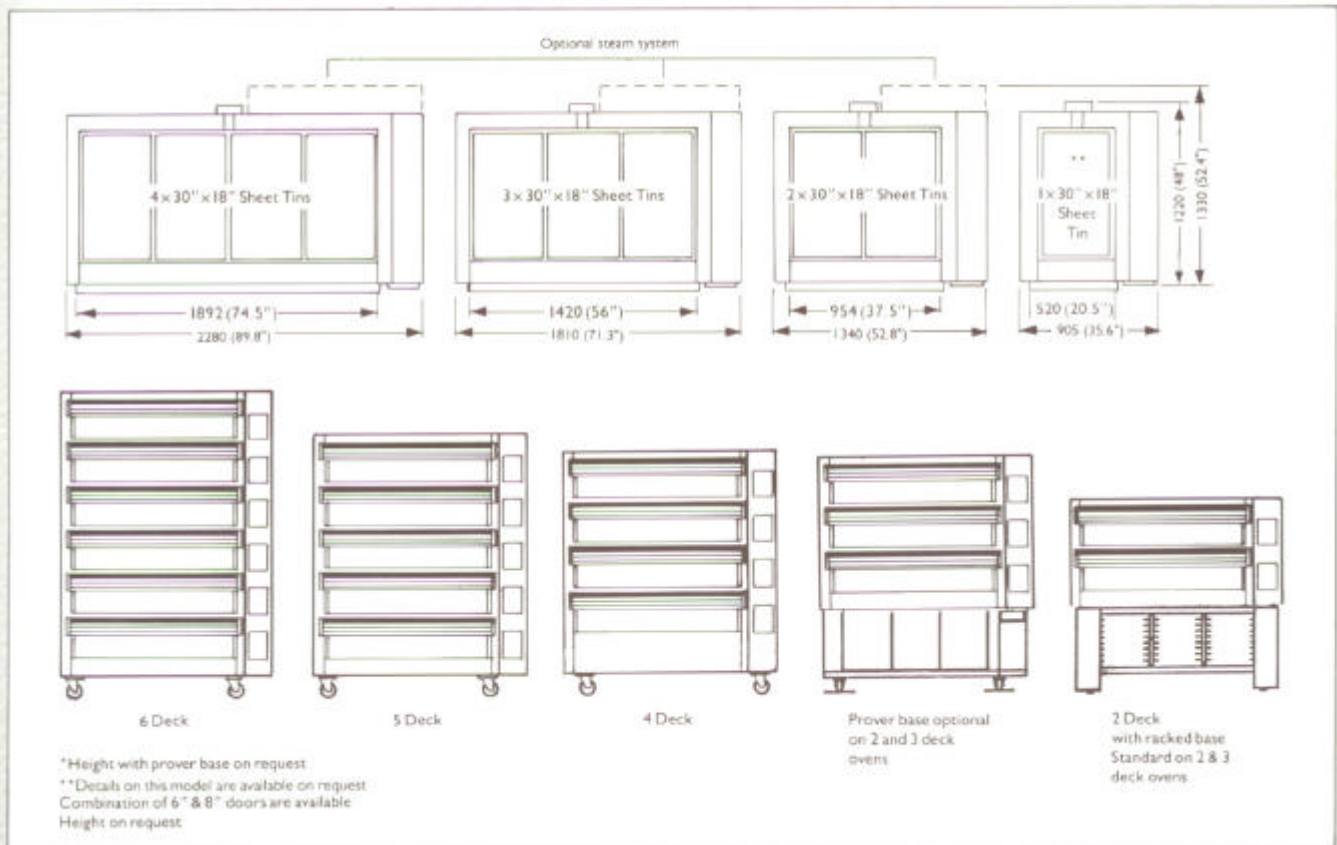

Internal construction for durability and long life.

Prover base available as an optional extra.

Compacta ovens can be made to either a high or low crown design, or a combination of both.
